Boosting growth and jobs

The world's largest support Network for SMEs with international ambitions

1

The Enterprise Europe Network is a key instrument in the EU's strategy to boost growth and jobs.

2

Launched in **February 2008** by the Commission's DG GROW (previously "Enterprise and Industry" ENTR)

3

Co-financed under the EU's **COSME** and **HORIZON 2020** funding programmes - encouraging competitiveness and innovation of European SMEs

4

Total funding of over **180 million EURO**

Some critical challenges for SMEs

How do I find a new market abroad?

What does this EU law mean for my business?

How do I get European funding?

I need a business partner in another country...

How can I sell my innovative ideas and technology?

What does this EU law mean for my business?

How do we help?

We combine **international business expertise** with **local knowledge** to take your innovation into new markets.

A broad range of free of charge services for growth-oriented SMEs^(*)
