The screenshot shows the AANChOR website's main interface. At the top, there is a navigation menu with 'Who We Are', 'Our Focus', 'Our Resources', 'News & Events', and 'Contact Us'. Below the navigation is a search bar and a 'Map View' / 'List View' toggle. The central feature is a world map with various colored circles indicating the number of initiatives in different regions. A filter panel on the left allows users to search by 'Atlantic Initiatives', 'Free Text Search', 'Initiative Type', 'Belém Statement Area', and 'Involved Country'. The map shows a high concentration of initiatives in Europe (358) and Africa (23), with other regions like North America (12), South America (10), and Asia (5) also having several initiatives. The bottom of the page features the European Union flag and a footer with a disclaimer: 'This website is developed by the AANChOR Coordination and Support Action, aimed to support the implementation of the Belém Statement, which has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No. 818395.' There are also links for 'Privacy Policy', 'Disclaimer', and 'Site Map'.
