## **H2020 Raw Materials Infoday**

to explore the framework, the strategies and the R&I financing opportunities at EU level for the raw materials community

Main financing instrument to support the raw materials initiatives namely the EIP targets and objectives

Horizon2020 R&I topics

Raw

Materials

EIP on Raw Materials

provides overarching frameworks to facilitate alignment and synergies among research and innovation instruments and policies

Horizon2020 EIT KIC

KIC will provide the necessary complement in

- human capital (i.e. training, education)
- technology innovative pilot actions (e.g. demonstration plants)
- entrepreneurship
