# Industry Association

# What is ARTEMIS-IA

**Critical**

software

## ARTEMIS Industry Association

### General Assembly

- > Members A: SMEs
- > Members B: ROs
- > Members C: Corp
- > Associates

### Steering Board (25) PA BoardPresidium

- > President
- > 4 Vice Presidents

### Secretary-General

#### > Working

#### > Ad-hoc Groups

- ▶ Private Association of Companies and Research Organization to promote RD&I in the field of Embedded Systems
- ▶ Represents 'Industry and ROs' in the Joint Undertaking
- ▶ Responsible for the Elaboration of the MASRIA
- ▶ Promotes Industry and Research Centres collaboration
- ▶ Organizes multi-annual events in order to promote networking
- ▶ Supports consortiums in the preparation for the annual Calls

# Importance of Being a Member

- ▶ **Free access** to all Artemis-IA events
- ▶ Opportunity to **participate and influence** the definition of the Strategic Research and Innovation Agenda
- ▶ Right to be **elected to the Steering Board** by the corresponding chamber
- ▶ **Voting Rights** in the General Assembly of the Association
- ▶ Be **inside** the European Network of Excellence in Embedded Systems

# ARTEMIS-IA Multi-Annual Events

- ▶ Annual Brokerage event to foster consortium building

- ▶ Annual Summer Camp to discuss and update the MASRIA

- ▶ Annual Event to share projects achievements
- ▶ Consortia normally get together to discuss proposals

- ▶ Embedded System industry co-summit with ITEA network
- ▶ Project Presentation
- ▶ Discussion on technology advancements and challenges

# ARTEMIS-IA

## Shape your research environment

**Critical**

software

- ▶ Promotes the industry and R&D centres **cooperation**
- ▶ Yearly **plan of activities** aiming interaction to boost **consortium building** and **research agenda definition**.
- ▶ Starts with an initial **Brokerage Event** where project ideas are proposed by the beginning of the Year
- ▶ Gathers back in a **Spring Event** to shape-up consortium in to valuable proposals
- ▶ The **Summer Camp** updates of the research agenda
- ▶ The **Co-summit with ITEA** is the show-case of completed and on-going projects

Thank you for your attention!
