PT coordination in DS2 Proposals – No projects so far

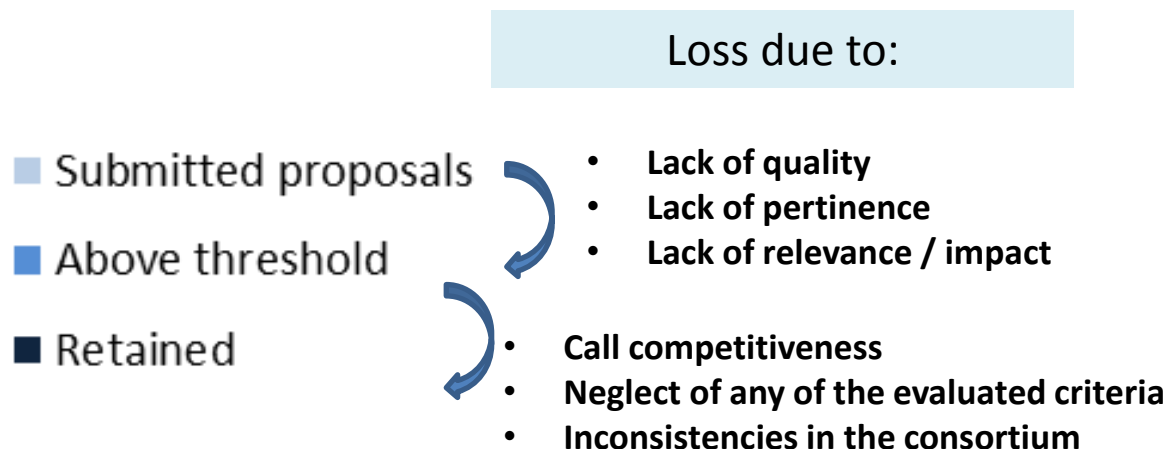

Breakdown of DS2 proposals coordinated by Portuguese entities

- Inadmissible/Ineligible
- Retained
- Below Threshold
- Reserve
- Above Threshold

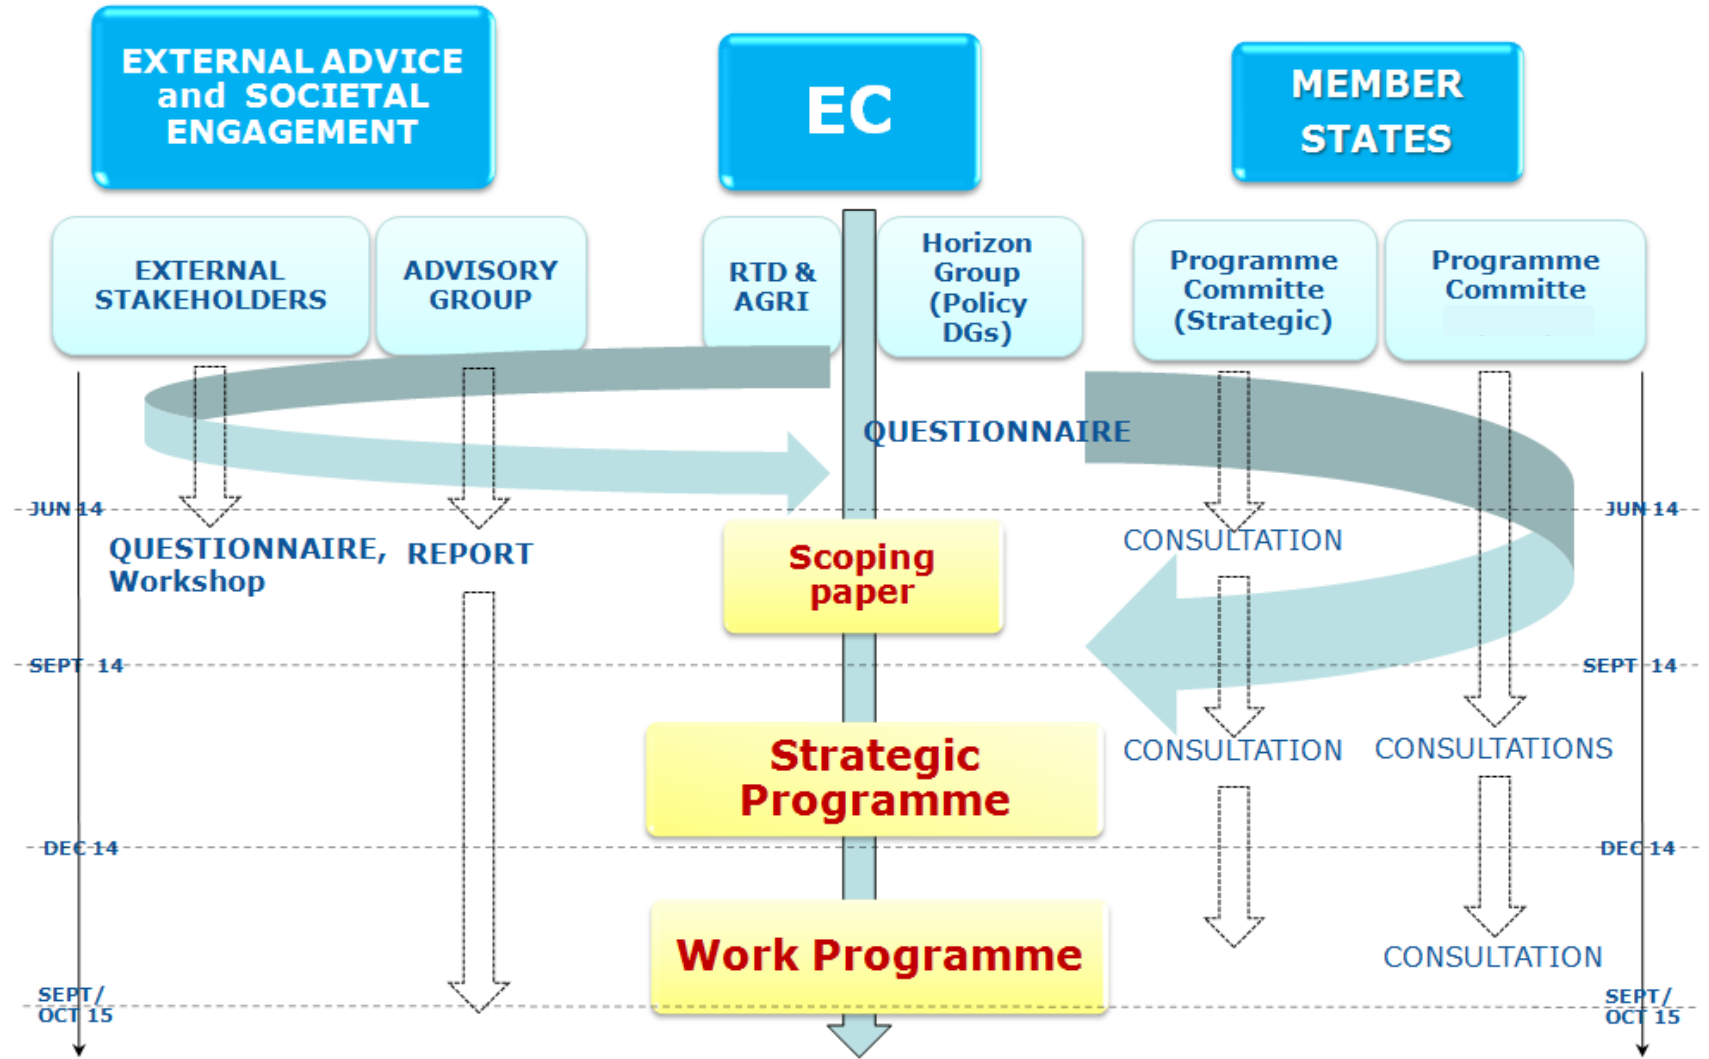

Some advice to future H2020-SC2 Project Coordinators

To increase the chances of your proposal getting funded:

- Adhere strictly to the **scope of the call**
- Be aware of how much funding is available and **how many projects will be funded**
- **Do not neglect** any of the evaluation criteria – Consortium structure
- **Network** (other stakeholders, GPPQ, National Delegates, GTA)
