

Invitation

Seminar: Research and Technology

25 and 26 April 2016

Dear Sir/Madam,

We are pleased to invite you to participate in the Netherlands' EU Presidency seminar "**Research and Technology**". This seminar is organised by the Netherlands Ministry of Defence in cooperation with the European Defence Agency (EDA).

The seminar will take place on Monday and Tuesday **25 and 26 April 2016 in Amsterdam**. High-level speakers will discuss technological developments, ambitions for innovation and how to deliver Europe's future Research Agenda for Defence.

The Provisional Programme as well as an Administrative Note are provided with this invitation. We would like to request you to sign up for this seminar by sending an email with your details (first name, family name, organisation, email address, nationality) as soon as possible to EU2016@mindef.nl.

You will then receive a personal email for registration and accreditation. Please be aware that registration will close at **18 April 2016**.

We wish you a successful seminar and a pleasant stay in the Netherlands.

Yours faithfully,

J.A. Hennis-Plasschaert
Minister of Defence

J. Domecq
Chief Executive EDA

Hotel rooms can be booked through <https://www.preferredreservations.nl/EU2016>. As hotel accommodation in Amsterdam is limited, we strongly recommend that you make a reservation as soon as possible.

In order to register for the meeting, a login-account will be sent to the email address with which you have signed up for the seminar.
