# How it works: international partnerships

The Network's business database contains thousands of company profiles to find the perfect match. In addition we organise:

**Matchmaking events** across Europe where SMEs can meet potential business partners in person.

**Company missions** where we set up and prepare you for targeted international meetings with strong business prospects

# How it works: advisory support

The Network's experts provide tailor-made advice

- | Practical advice on doing business in another country
- | Identifying the best market opportunities for your business
- | Information on EU laws and standards
- | Advice on intellectual property
- | Facilitating SME feedback on EU rules

# How it works: innovation support

Tailored support packages to steer you onto the fast track to success.

- | Advice and help for innovative SMEs to access R&I funding (H2020, SME Instrument ...)
- | KAM services for SME Instrument beneficiaries
- | Personalised support to help shape innovation potential into international commercial success
- | Help in finding the right technology to improve your innovation
- | Help in finding the finance it needs to grow.
