

C-Energy 2020: How can Energy NCPs help you?

Eunice Ribeiro

eunice.ribeiro@gppq.pt

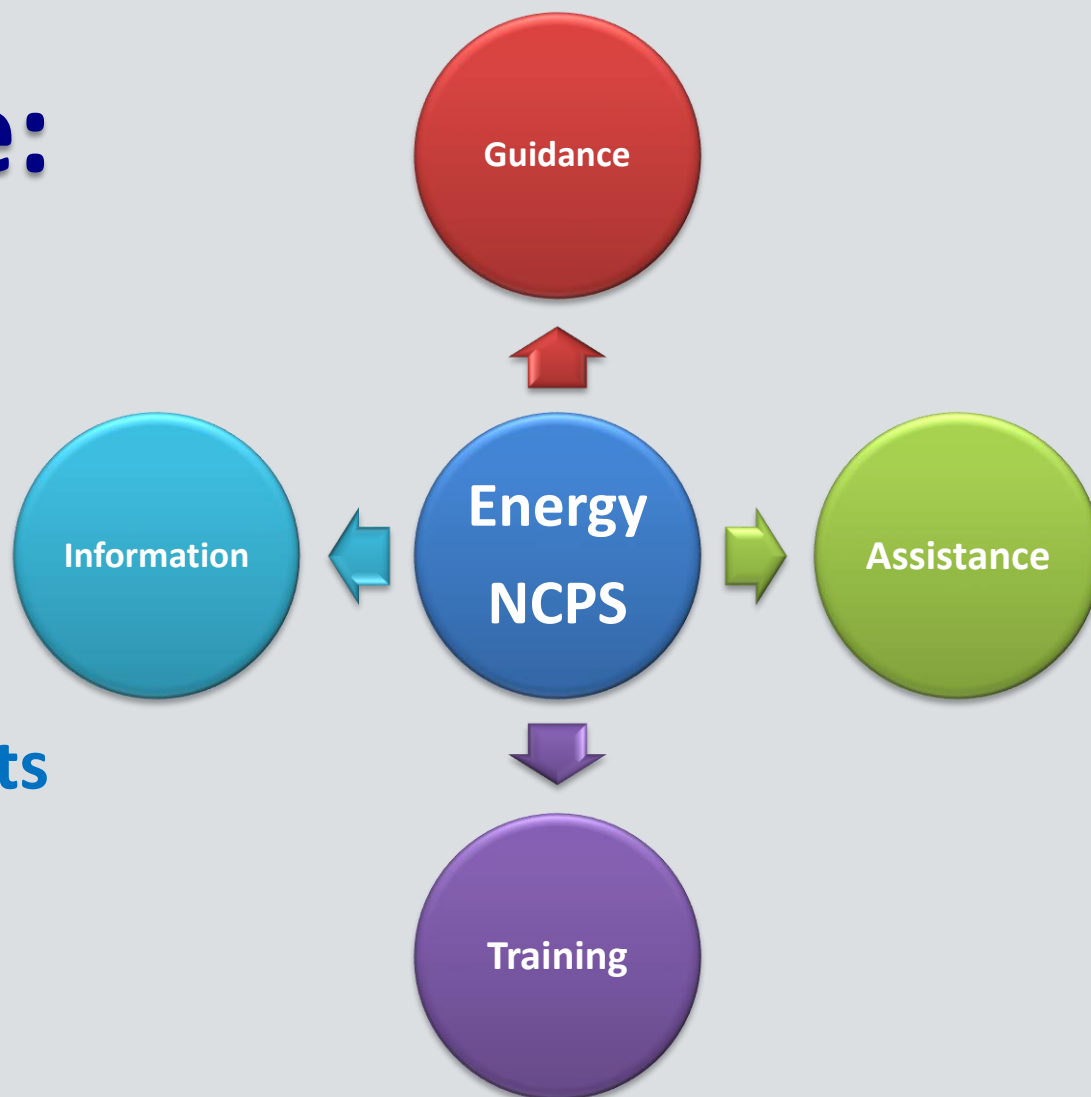

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No. 641003

Who we are:

**Network
of
Energy
National Contact Points
(NCPs)**

Objectives:

Ensuring that Energy NCPs provide H2020 applicants with high quality services

Lowering entry barriers for Energy NCPs approaching the EU R&I Framework Programmes

Consolidating the network of Energy NCPs across Europe and beyond
