

# Oportunidades de Financiamento no Desafio Societal “Energia” do Horizonte 2020 em 2017

Lisboa, 15 de Julho 2016

# Marie Skłodowska-Curie Actions for every step of your career

Considering a doctoral degree?

Experienced researcher looking for international experience to boost your career?

Looking for partnerships between academic and non-academic organisations or staff exchanges?

Keen on outreach activities?

**MSCA bridging business and research**

# Marie Skłodowska-Curie actions

**Aim:** develop new knowledge / enhance skills of people behind research and innovation (training)

Operate in a 'bottom-up' basis , covering all scientific domains

Level of involvement is proportional to the participant's needs

Strong accent on participation of industry, SMEs and non-academia overall

**Totally aligned with the objectives of H2020**

- responding to the economic crisis to invest in jobs and growth
- addressing people's concerns about their livelihoods, safety and environment
- strengthening the EU's global position in research, innovation and technology

# Marie Skłodowska-Curie actions fund

## 1) Organisational costs

**Research, networking and training costs**

**Management and indirect costs**

## 2) Costs of researchers and seconded staff

**Living allowance or Top-up allowance**

**Mobility allowance**

**Family allowance**

- ✓ 100% in ITN, IF and RISE
- ✓ 50% in Co-funding for doctoral and fellowship programmes

## **RISE – Research and Innovation Staff Exchange**

### **Who applies?**

Consortiums of host institutions with a minimum of 3 entities (check eligibility); 3<sup>rd</sup> countries, SMEs and other non-academic institutions all welcome

### **Who is hired/seconded?**

Secondments of research, managerial or technical “staff”

### **How does it work?**

A joint research and innovation project implemented by the exchange of individual staff for 1-12 months. The staff members return to their organisation after the secondment to ensure transfer of knowledge.

## **ITN – Innovative Training Networks**

**TOPICS:**                European Training Networks  
                              European Industrial Doctorates  
                              European Joint Doctorates

### **Who applies?**

Consortiums of host institutions (check eligibility according to topic); SMEs and other non-academic institutions all welcome

### **Who is hired/seconded?**

Early-stage researchers (Ph.D. students) are hired

### **How does it work?**

Successful proposals from a network receive funding for up to 4 years to cover researcher allowances, as well as the cost of research, training and networking activities.

## Individual Fellowships

### Who applies?

One experienced researcher together with a host institution (of any sector, companies included)

### Who is hired/seconded?

An experienced researcher is hired

### How does it work?

Proposal submitted by researcher in liaison with host. Successful proposals receive up to 2 years' support (additional 1-year return phase in Global fellowships).

**COFUND**

**Who applies?**

Funding agency

**Who is hired/seconded?**

Ph.D. students (doctoral programs)  
or post-docs (postdoctoral programmes) are hired

**How does it work?**

Successful proposals from organisations that fund or manage a doctoral or a fellowship programme receive a fixed amount for each supported researcher as a contribution to the total costs.

**NIGHT – European Researcher's Night**
