

Horizon 2020 Space work programme 2018-2020 Stakeholder consultation

Workshop

26-27-28 September 2016

Radisson Blu Royal Hotel

Rue du Fossé aux Loups 47, Brussels, Belgium

DRAFT AGENDA

H2020 Space WP 2018-20 Stakeholder Consultation Workshop
Draft agenda

26 September 2016 (afternoon)	
12:00 – 13:00	On-site registration and lunch
13:00 – 13:15	Opening address – Philippe Brunet, Director, European Commission
Session 1: Earth observation	
13:15 – 13:45	Context and orientations
13:45 – 14:00	Overview by European associations of stakeholders
14:00 – 15:30	Panel 1.1: Widening the use of Earth observation and Copernicus data
15:30 – 15:45	Coffee break
15:45 – 17:15	Panel 1.2: Market uptake
17:15 – 17:30	Coffee break
17:30 – 19:00	Panel 1.3: Copernicus evolution
19:00 – 19:15	Session conclusions

27 September 2016		
08:30 – 09:00	On-site registration	
09:00 – 09:15	Opening address – Sabine Lecrenier, Head of Unit, European Commission	
Session 2: Space technologies		
09:15 – 09:45	Context and orientations	
09:45 – 10:00	Overview by European associations of stakeholders	
10:00 – 11:30	Panel 2.1: Generic space technologies	
11:30 – 11:45	Coffee break	
11:45 – 13:15	Panel 2.2: Mission-oriented space technologies	
13:15 – 13:30	Session conclusions	
13:30 – 14:30	Lunch break	
Session 3: In-orbit demonstration/validation and access to space		Session 4: Space science and space weather
	Parallel session: Room A	Parallel session: Room B
14:30 – 15:00	Context and orientations	Context and orientations
15:00 – 15:15	Overview by European associations of stakeholders	Overview by European associations of stakeholders
15:15 – 16:45	Panel 3.1: In-orbit demonstration/validation	Panel 4.1: Exploitation of scientific space data and scientific instrumentation
16:45 – 17:00	Coffee break	
17:00 – 18:30	Panel 3.2: Access to space	Panel 4.2: Space weather
18:30 – 18:45	Session conclusions	Session conclusions

H2020 Space WP 2018-20 Stakeholder Consultation Workshop
Draft agenda

28 September 2016	
08:30 – 09:00	On-site registration
09:00 – 09:15	Opening address – Matthias Petschke, Director, European Commission
Session 5: EGNSS – Focus on applications and market uptake	
09:15 – 10:00	Context and orientations
10:00 – 10:15	Overview by European associations of stakeholders
10:15 – 10:45	Panel 5.1: Transport, Location-based services, Professional Markets and other applications; new instruments, new areas
10:45 – 11:00	Coffee break
11:00 – 12:45	Panel 5.1: Transport, Location-based services, Professional Markets and other applications; new instruments, new areas (continuation)
12:45 – 13:00	Session conclusions
13:00 – 14:00	Lunch break
Session 6: EGNSS – Infrastructures, Mission and services	
14:00 – 14:30	Context and orientations
14:30 – 14:45	Overview by European associations of stakeholders
14:45 – 16:10	Panel 6.1: Science, Technology and Infrastructures
16:10 – 16:25	Coffee break
16:25 – 17:40	Panel 6.2: Mission and Services
17:40 – 18:00	Session conclusions
