MISSION TEAM LISBON/EUROPE 2020

2

- Created by municipal resolution, April 2012;
- Aims to assure Lisbon active participation in the next european programming period:
 - **mobilize the different partnerships** with the University, the business community and the social and cultural institutions;
 - **maximize the Lisbon contribution** to Europe 2020 strategy implementation;
 - **optimize the use of resources available** in the next Financial Framework 2014-2020.

MISSION TEAM LISBON/EUROPE 2020

2

- Identify among the EU policies, **the areas of greatest importance for the city of Lisbon** where the local dimension represents added value;
- Monitoring the **development of the Regulations, the Partnership Agreement and the Operational Programmes** and other tools for implementation and support the Mayor on the respective decisions.

MISSION TEAM

LISBON/EUROPE 2020

2

- Develop, within the framework of Cohesion Policy:
 - **eligible projects**, specially for Innovative Actions in the context of sustainable urban development;
 - **Integrated Territorial Investment** projects in the city of Lisbon.
- Promote a process of **active and participative partnership** with all the necessary and indispensable stakeholders in the Planning and implementation of these projects.

MISSION TEAM

LISBON/EUROPE 2020

- Created in parallel with the Mission Team;
- Includes:
 - **Councilors** from various political forces represented in the House;
 - **Representatives** from the Institutions of Public Higher Education located in Lisbon;
 - **Representatives** of business associations;
 - **Representatives** of the municipal councils;
 - **Representative personalities** of the cultural and social environment
- Aims to ensure a comprehensive overview provides a platform for obtaining and integrating contributions.

→ 3 documents approved

<http://www.cm-lisboa.pt/municipio/camara-municipal/transparencia/lisboa-2020>

- LX — Europa 2020, Lisbon during the next programming period Community
- Main aspects to be taken into account in the design and negotiation of the Partnership Agreement: the perspective of Lisbon.
- Areas of Intervention in the City of Lisbon - Partners, Projects and Governance

DEVELOPED WORK

4

- Initiated a process of consultation of the city stakeholders, which, based on the aforementioned city document which sets out priorities for Lisbon, aims to identify projects eligible for joint development.
- To a greater densification of areas of intervention and the strengthening of partnerships that could lead to the development of joint projects with a view common and achieve the strategic objective interests of the city.
- A Table summarizing the funding priorities by type of recipient, and giving guidance given the categories of projects that may eventually be developed by the Municipality, by the Higher Education Institutions, the Entreprises and the Not-for-profit sector, alone or in partnership between them.
- Structured by the thematic areas of assistance listed in the document "LX-2020 - Lisbon at the forthcoming EU programming period."
