

InnoEnergy MSc School

Marta Abrantes
marta.abrantes@tecnico.ulisboa.pt

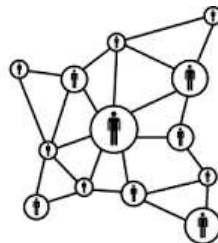

Why?

Engineers of today

Innovators of tomorrow

Connected by purpose

Academic Partners

TÉCNICO LISBOA

UNIVERSITAT POLITÈCNICA DE CATALUNYA BARCELONATECH

ROYAL INSTITUTE OF TECHNOLOGY

How ?

Mobility (1+1 year) with double degree

Multidisciplinary + Pedagogical Methods

100% English

Business Schools

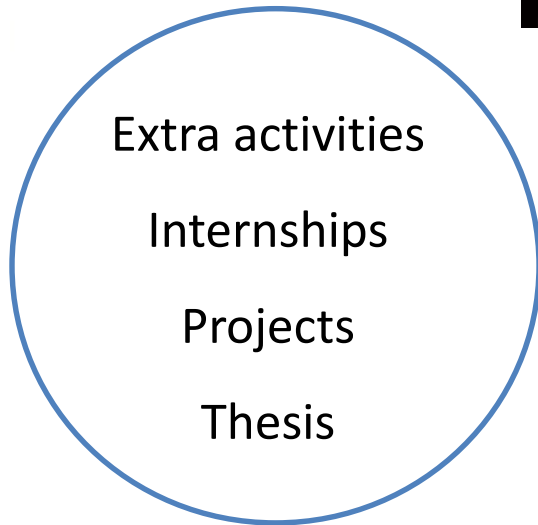

Business Schools

Links to companies and research

A typical path

7 MSc Programmes

Energy Technologies
(MSc ENTECH)

Renewable Energy
(MSc RENE)

Clean Fossil and
Alternative Fuels
(MSc CFAFE)

Environmental
Pathways for
Sustainable Energy
Systems
(MSc SELECT)

Smart Electrical
Networks and
Systems
(MSc SENSE)

European
Master's in
Nuclear Energy
(MSc EMINE)

Energy for Smart
Cities
(MSc Smart Cities)

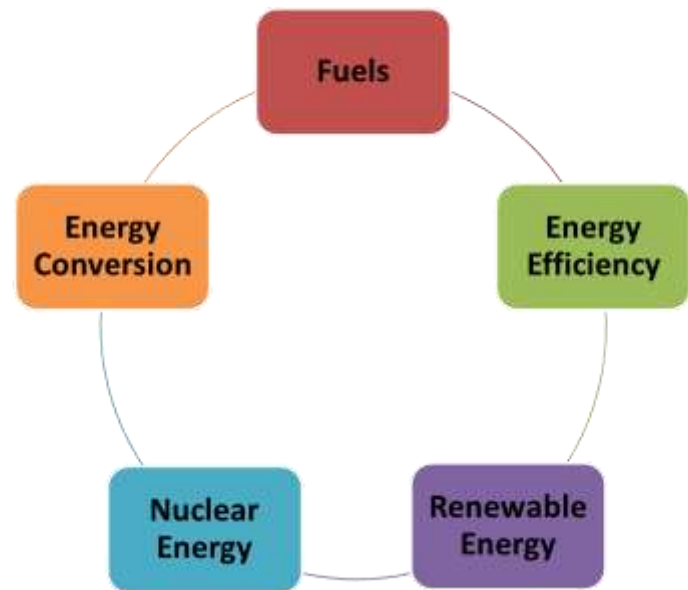

Impact of Programmes

EIT InnoEnergy MSc no IST

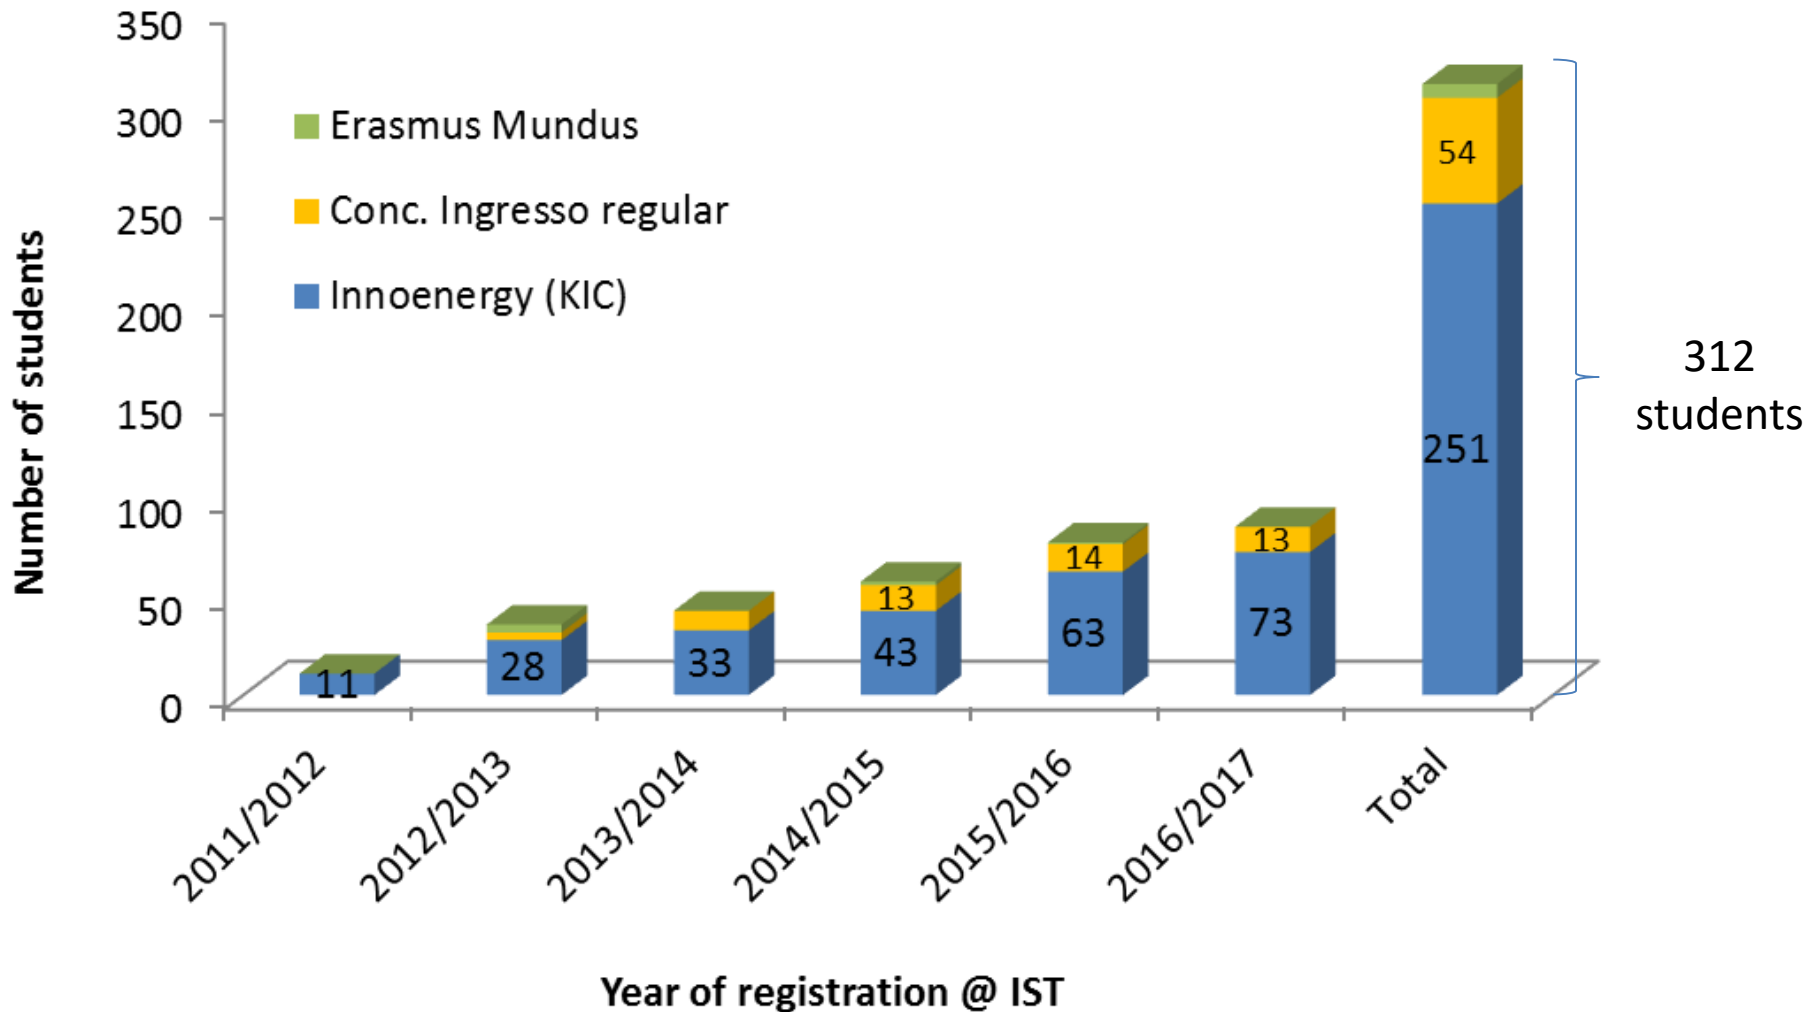

Mestrado em Engenharia e Gestão de Energia (MEGE):

- **MEGE + InnoEnergy = ONE PROGRAM**
- Around 90 courses (!)
- Transversal to 6 departments
- Joint coordination
- ~50+ Profs regularly involved
- New courses in the area of Energy

Students at IST - MEGE

EIT InnoEnergy MSc at IST

International students

International programmes

High quality students

New teaching methods
