Societal Challenge (SC) 2 in Horizon 2020:
'Food Security, Sustainable Agriculture and Forestry, Marine, Maritime and Inland Water Research and the Bioeconomy'

Do you intend to prepare a proposal addressing a topic under the challenge?

The European Commission organises an Info Day on Horizon 2020 Societal Challenge 2 (SC2) 'Food security, sustainable agriculture and forestry, marine and maritime and inland water research and the bioeconomy'. The event will take place in Brussels on 25 June 2018 and will showcase the calls for 2019 of the [new version of the SC2 Work Programme for 2018-2020](#). More detailed information on the Info Day programme is provided on [this page](#).

NMP in H2020 in brief

Nanotechnologies, Advanced Materials and Advanced Manufacturing and Processing (NMP), but also Biotechnology, Micro- and Nanoelectronics and Photonics were identified as **Key Enabling Technologies (KETs)**, as new developments in these areas are the basis for a competitive advantage for European industry, and thus contribute to stimulating growth, creating new jobs and satisfy social needs.
