Portugal

How do we help?

We combine **international business expertise** with **local knowledge** to take your innovation into new markets.

A broad range of services for growth-oriented SMEs

INTERNATIONAL PARTNERSHIPS

Partnership database

Brokerage events

Company missions

ADVISORY SUPPORT

Advice on EU laws and standards

Market intelligence

IPR expertise

INNOVATION SUPPORT

Access to finance and funding

Innovation Management Services

Technology transfer

How it works: international partnerships

The Network's business database contains thousands of company profiles to find the perfect match. In addition we organise:

Matchmaking events across Europe where SMEs can meet potential business partners in person.

Company missions where we set up and prepare you for targeted international meetings with strong business prospects

How it works: advisory support

The Network's experts provide tailor-made advice

- | Practical advice on doing business in another country
- | Identifying the best market opportunities for your business
- | Information on EU laws and standards
- | Advice on intellectual property
- | Facilitating SME feedback on EU rules

How it works: innovation support

Tailored support packages to steer you onto the fast track to success.

Advice and help for innovative SMEs to access R&I funding (H2020, SME Instrument ...)

KAM services for SME Instrument beneficiaries

Personalised support to help shape innovation potential into international commercial success

Help in finding the right technology to improve your innovation

Help in finding the finance it needs to grow.
